MEDI-V-GUARDS

VENTED INSTRUMENT TIP COVERS

dispomedica®
www.dispomedica.de

Designed to protect valuable instruments during handling and storage - ranging in sizes from the smallest Veress Needle to the largest Endoscope. Tinted for easy visual inspection and vented for improved steam, gas or disinfectant flow.

Vented caps for safe sterilization

FEATURES:

- ETO or steam permeable by lateral perforations
- protect paper sterilization bags from perforation, thus preventing the instruments from being contaminated
- color coded
- tinted for easy visual inspection
- latex-free
